PCSO Johnstone reported that, in September 2012 there were 11 reported crimes with 3 detected. This compares with 13, 3 of which were detected, in the same period last year. There were 11 reports of anti-social behaviour last month, 4 of which were youth nuisance compared to the same period last year when there were 14 reports of anti-social behaviour with 6 relating to youth nuisance.

In response to a question PCSO Johnstone reported that a number of high value cars had been stolen in Wyre and that, while hare coursing remained an ongoing issue, air support from the Police helicopter was being used to help to apprehend those responsible. She advised that, if dropped kerbs were being blocked by irresponsible parking, a complaint should be made to the Police with time, location and registration number.

Following the last meeting the Clerk reported that she had contacted LCC’s parking enforcement team and asked for Civilian Enforcement Officers to visit on a random basis to discourage irresponsible parking. As there were many requests for enforcement LCC could not provide a timescale.

A member of the public spoke on Item 13 of the agenda (Smithy Lane – Proposed Disabled Parking Bay) and hoped that councillors would support it.

Adrian will make the tiles for each councillor, the Clerk and the Lengthsman and the cost will be notified in due course. Once the remaining space has been calculated the possibility of offering any spare places for sale will be brought back to the Council.
