It is important to note that those intending to record do not have to indicate as such but are required to do this in a way that is not disruptive of the meeting and does not focus on the public gallery.

Members of the public participating in the meeting (e.g. making deputations, asking questions, making oral protests) should be aware that they may be filmed, recorded or reported on. If any member of the public speaking at the meeting does not wish to be recorded, they should let the chairman of the meeting know.
